

WINNIE TSE

Chief Administrative Officer and Group Controller – Head of Finance, Asia

Winnie Tse is the Chief Administrative Officer and Group Controller – Head of Finance, Asia. In this role she leads the Finance team and oversees all accounting and financial reporting across Asia. She also has indirect/dotted line responsibility for Human Resources and Information Technology in this region – both of which report directly to the U.S. Head Office.

Ms. Tse has worked with Taubman Asia since 2005 and has successfully led the finance function through the company's entry into China, Korea and Macau. She has also been part of the global team that created the necessary interface required for corporate tax, treasury and financial reporting as the Asia business launched as a start-up and grew into a retail real estate platform with operating assets.

Prior to joining Taubman Ms. Tse worked a stint at Deloitte Touché Tohmatsu; and before that five years at KPMG Certified Public Accountants.

She has a master of commerce in Fund Management and a bachelor of commerce in Accounting and Business Economics – both from the University of New South Wales, Australia.

Ms. Tse is a certified public accountant in Hong Kong and Australia, and hold a membership of the Associate Chartered Management Accountant, Chartered Global Management Accountant.
