

## Tim Hill

Group Vice President, Operations and Asset Management, Taubman Asia

Tim Hill is Taubman Asia's Group Vice President of Operations and Asset Management, directly responsible for property across the company's owned and managed malls in Asia.

Tim has a strong track record of delivering and managing commercial and retail property assets, including hotels and shopping centers, with experience in many markets, including Australia, Asia, North Africa and the Middle East. Tim first joined Taubman Asia in 2015 and has successfully opened three of Taubman Asia's malls, in Xi'an and Zhengzhou in China, and Hanam in South Korea before his departure in 2018.

Prior to his return to Taubman Asia, Tim was CEO for the shopping mall division for Reliance Industries India, based in Mumbai until March of 2020. He also worked at Lend Lease Properties in Malaysia for two years, where he was General Manager of retail. Tim spent seven years in Dubai responsible for managing a portfolio of malls across the Middle East and North Africa. He did an earlier stint in Kuala Lumpur in 2005 as Managing Director, Malaysia at Sodexo Integrated Property Management Services.

Tim was born in Melbourne, Australia and he has a certificate of real estate management from the Real Estate Institute of Victoria.
